Dear Town Council:

Thank you for the opportunity to request funding for 2022. The Town of Castle Rock has been a major supporter of the Youth Initiative since its inception, and on behalf of those we serve, we thank you for your loyal support.

As many of you are aware, the Youth Initiative is a major collaboration between eight Douglas County entities. It is truly the definition of partnership as we work together to serve our youth. The Town's contribution helps leverage each group's contribution. In addition to Castle Rock, we currently receive funding from the Town of Parker, City of Lone Tree, the Library District, the School District, Douglas County Government, the City of Castle Pines, and the Highlands Ranch Metro District.

This year we are requesting \$19,800 from the Town; the same amount as the past eight years. We are also requesting this amount from the City of Castle Pines, Library District, Parker, Highlands Ranch, Castle Pines, and Lone Tree. The School District and the County contribute higher amounts, \$75,750 each.

For these contributions, the Youth Initiative provides numerous services and programs, outlined on the next two pages, reaching hundreds of County residents. Over the past five years we have added new programs, including, Truancy Project, Youth Leadership Summit, Juntos, DCYI Vlog, and the "Take Ten Vlog", at no extra cost.

The Douglas County Youth Initiative would not be possible without the support of municipalities and other members of the Partnership. The structure of the Youth Initiative ensures that each financial contributor has oversight. This is accomplished by each funder appointing an elected official to the Advisory Board.

Thank you for the opportunity to request funding.

Sincerely,

Marsha Alston / Youth Services Program Manager / malston@douglis.co.us / 303-814-5327
