Title: **Town Manager Report – Development Project Updates**

This report contains development updates and new submittals or requests that have been submitted to staff since the last update to Town Council. The high growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans, as well as formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at CRGov.com/DevelopmentActivityMap

New Quasi-Judicial Applications Requiring Public Hearings

Ms. Amy’s Tot Academy (203 N. Perry St) – Landmark Alteration:

Taylor Lewison, on behalf of the new owner Marc Lewison (Mission Capital Properties Bayside LLC), submitted a landmark alteration certificate/Historic Preservation application for the proposed Ms. Amy’s Tot Academy. The project site is located at 203 N. Perry Street on the northwest corner of N. Perry and Second Streets, just north of Festival Park. The property measures 0.24 acres or approximately 10,545 square feet. Historically known as the Saunders House, the locally landmarked house dates to approximately 1887. As part of this application and as required by the Castle Rock Municipal Code, the Colorado Cultural Resource Survey is being updated by the Town’s historic preservation architect.

The application proposes a 2,000 square foot addition to join the existing garage and historic building with the intention of preserving the historic nature of the landmarked structure. The historic structure would be painted gray and the new addition and garage renovations would be a different color. This landmark alteration certificate application requires a public hearing before the Historic Preservation Board. After the Historic Preservation Board has considered the proposal, a site development plan will be required for consideration by the Design Review Board. The property is located within Councilmember LaFleur's district.

Oaks Filling 2A – Site Development Plan:

Henry Design Group, Inc., on behalf of the property owner, Castleview LLC, has submitted an application for a site development plan (SDP) for a residential neighborhood known as the Oaks of Castle Rock Filing 2A. The Oaks of Castle Rock Filing 2A is approximately 165 acres in size and generally located south of Plum Creek Parkway, east of Lake Gulch Rd., and west of N. Ridge Road. The SDP proposes 114 single-family homes, open space and a public trail system. The SDP will require public hearings before the Planning Commission for review and recommendation and Town Council for review and final decision. The property is located in Councilmember Johnson's district.
