CAPITAL PROJECT UPDATES

Parks, Open Space & Trails

The following updates summarize general progress that occurred throughout the month on capital projects managed through the Parks and Recreation Department; for background information and additional details visit CRgov.com/ProjectUpdates.

PAINTBRUSH PARK ATHLETIC FIELD TURF CONVERSION

- The soccer field at Paintbrush Park was completed and now features synthetic turf
- Contractor Academy Sports Turf will begin work on softball field 2 in December
- Staff are obtaining quotes to replace the dugouts and softball field fencing in 2023

BUTTERFIELD PARK RENOVATION

- The sensory wall in the Possibilities Playground was placed and the precast slide was set
- Playground installation will commence in December
- The Castle Rock Parks and Trails Foundation received an approximately \$29k award from the Development Disabilities Mill Levy Grant Program of Douglas County as they continue to work towards their goal of fundraising \$1.3 million for the Possibilities Playground; the Foundation has raised \$960k to date

MITCHELL GULCH PARK RENOVATION

- Renovation work continued with the demolition of the playground areas, the shelter and concrete
- The project passed the Temporary Erosion and Sediment Control inspection
- Staff prepared to submit the tennis court and pond design to Development Services
- Underground utility work will commence in December

CAPITAL PROJECT UPDATES

Parks, Open Space & Trails

METZLER FAMILY OPEN SPACE

- Parking lot construction commenced with best management practices and erosion control in place through contractor Schmidt Construction Company
- Testing of the homestead's water is underway in coordination with the Colorado Department of Public Health and Environment

COLORADO FRONT RANGE TRAIL AT CASTLE ROCK

- Clearing and grading is underway with significant progress between Founders Parkway and Castle Oaks Drive
- Boring sampling is being completed to design the future trail walls
- Grading and wall construction will continue throughout the colder months; the concrete path will be placed throughout the spring and summer to minimize winter weather costs
- Staff waiting on the Conditional Letters of Map Revision from the Federal Emergency Management Agency prior to entering floodplain areas

CANTRIL SCHOOL

- Various Parks and Recreation staff members attended a public open house held at Cantril School to obtain public feedback regarding how to use the future facility; the Town is in a 60-day due diligence period before the purchase becomes final
- Over 100 residents attended the event and a [feedback form](#) remains available online as planning and visioning efforts continue

COMMUNITY EVENTS

& Facility Rental Summary

**DAYS WITH EVENT
RENTALS**
