A message from Chief of Police Jack Cauley

Castle Rock continues to be one of the safest and fastest-growing communities in the country. To achieve this, we build upon our One-By-One Policing philosophy through our three strategic pillars:

People: We invest in our team members by providing quality training and the best equipment available. We are laser-focused on creating a healthy organizational culture where our members can thrive.

Innovation: The ability to innovate is key. We embrace the latest technology and best practices to solve problems and address crime.

Community: Policing is a team effort. Creating safe communities must involve trust and partnerships. We are grateful for Castle Rock's support and don't take it for granted.

Armed bank robber sentenced to 22 years

In Dec. 2025, Octavio Alan Rivas Morales was convicted and sentenced to 22 years in prison for an armed robbery at a Castle Rock bank. In Sept. 2024, Rivas Morales entered the bank armed with a handgun, fired a round into the floor to intimidate employees and customers and fled with approximately \$2,000 in cash.

Castle Rock officers and detectives quickly responded to the scene, and it was determined no one had been injured. Good citizen statements, along with evidence collected, allowed officers to identify the suspect and his getaway vehicle within minutes of the crime occurring. CRPD then tracked the suspect to a location in Johnstown. Working in conjunction with the FBI's Rocky Mountain Safe Streets Task Force and the Johnstown Police Department, the subject was taken into custody without incident.

"The diligent work done by our department, combined with a community that has zero tolerance for crime, makes Castle Rock an environment where bad actors can't get a foothold," Chief of Police Jack Cauley said following Rivas Morales' arrest.

As part of a plea agreement, prosecutors sought a punishment of up to 22 years in prison. During sentencing, the judge stated Rivas Morales posed an extreme danger to the victims and community and imposed the maximum sentence.

Castle Rock Police Department

VISION: To serve people one-by-one so together, we can create environments that are safe and secure, and where people can thrive.

MISSION: The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime analysis and community involvement.

Customer survey results

CRPD utilizes a survey tool which measures customer service on select non-violent or property crime calls for service. Citizens receive a short text survey and may also leave comments. Results are listed in the graph below.

Domestic violence lethality assessment

The Lethality Assessment Program (LAP) tool is designed to reduce risks, save lives and involves an assessment by policing personnel to determine risks in collaboration with community-based victim service providers. More information can be found at LethalityAssessmentProgram.org.
