FAST FACTS – The Lanterns Major PD Amendment

Project# PDP18-0003

Description: A major Planned Development (PD) amendment has been submitted for the Lanterns PD, located south of Plum Creek Boulevard and Crystal Valley Parkway. The site is approximately 848 acres. The current zoning allows up to 1,200 single family units, recreation facilities and approximately 437 acres of open space/public land. The proposed zoning amendment would create a new 4.5 acre planning area and allow a church as a permitted use. In addition, the amendment would incorporate into the Lanterns PD, the 5.2 acre parcel located on the southwest corner of Crystal Valley Parkway and Plum Creek Boulevard. That property is currently zoned commercial under the Heckendorf Ranch PD zoning and would remain commercial under the Lanterns zoning. Approx. 432 acres would remain open space.

The site is approximately 388 acres. The PD Plan and Zoning proposes a mix of uses, with a maximum of 1,123 dwelling units, a gross density of 2.89 du/ac and up to 400,000 s.f. of commercial/office/retail uses. Approximately, 78 acres would be set aside as open space and an additional 40 acres as dedicated public land, to include a school site. As per the Town's Transportation Master Plan, Woodlands Blvd. is proposed to be extended from its current terminus, south. A new east/west road would link Founders Parkway and Front Street.

Status: For current status contact the project manager.

Construction schedule: To be determined.

Of note: The Comprehensive Master Plan identifies this area as a future residential and mixed use.

Site Development Plan Amendment Project# SDP18-0024

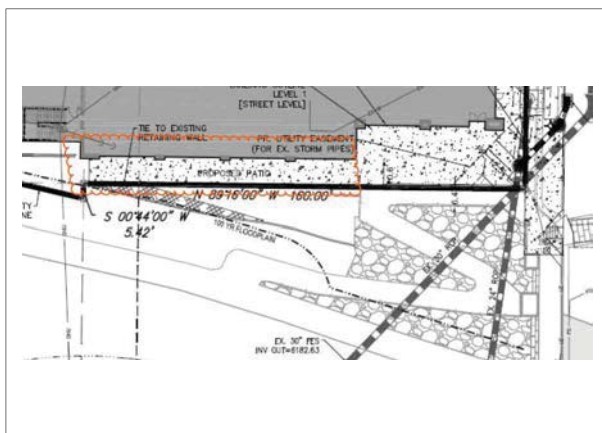

Description: The Riverwalk North and South project was originally approved by the Design Review Board on September 14, 2016, with an amendment approved on April 26, 2017. The owner and developer, Confluence Companies, is proposing a minor Site Development Plan Amendment to the North building. The amendment changes the design of the patio on the south edge of the North building, which is adjacent to the gulch and trail. The patio would encroach within Town property, which would require an encroachment agreement with the Town if the patio design is approved.

Status: Please contact Town project manager for current status

Construction schedule: site is already under construction

Of note: The Design Review Board will consider this amendment at a public hearing.
