

Meeting Date: June 16, 2026

AGENDA MEMORANDUM

To: David L. Corliss, Town Manager

From: Tara Vargish, PE, Director of Development Services

Title: Town Manager Report – Development Project Updates

This report contains development updates and new submittals or requests submitted to staff since the last update to Town Council. The high-growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans and formal applications for development. More information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link, which can be accessed at CRGov.com/DevelopmentActivityMap.

New Quasi-Judicial Applications Requiring Public Hearings

New Pre-Application Meeting Requests

705 Fourth Residential Rebuild

Staff received a pre-application meeting request seeking information on application and submittal requirements to build a new home at 705 Fourth Street. The previous home was destroyed in a fire last year. The proposed project is located in Councilmember Davis' district.

Delta Oaks Fiber Equipment Storage

Staff received a pre application meeting request seeking information on application and submittal requirements for the installation of a fiber network equipment shelter and associated improvements within a 30-foot by 50-foot lease area at the Castle Rock Recreation Center. The proposed improvements include a 12-foot by 38-foot prefabricated concrete equipment shelter, foundation, utility connections, electrical equipment, grounding, and related equipment necessary to support fiber network operations. The shelter is designed as an unmanned storage and equipment facility and is not intended for public access or human occupancy. The proposed project is located in Councilmember Davis' district.

Staff received a pre-application meeting request seeking information on application and submittal requirements for a KinderCare early childhood education center on a 1.98-acre parcel along Front Street in Castle Rock. The project includes a 11,370 square foot building, with 10,800 SF of secure playgrounds, 29 parking spaces, and retaining wall along the north and east portions of the property and detention to the south of the parking lot, in Councilmember Davis' district.

Staff received a pre-application meeting request seeking information on the application and submittal requirements for a proposed right-of-way vacation of unused Town-owned right-of-way adjacent to the applicant's residence. The applicant would like to extend the existing residential fence line into the vacated area and install chain-off poles to restrict public access for safety purposes, while maintaining necessary access for Town operations. The proposed project is located east of the intersection of Oakwood Drive and Gigi Street, within Councilmember Davis' district.

Renaissance Secondary School Yurt

Staff received a pre application meeting request seeking information on application and submittal requirements to convert the temporary use permit approval for a 30-foot yurt classroom at Renaissance Secondary School to a permanent use. The school would like to keep the yurt and use it for a daily classroom for grades 6–12. It is located on a previously underutilized dirt/grass area, with no impacts to parking, traffic flow, emergency access, or other campus operations. The proposed project is located at 3954 Trail Boss Lane, in Councilmember Davis' district.

Stanbro Residential Development and Annexation

Staff received a preapplication meeting request seeking information on application and submittal requirements for a residential development on four parcels totaling approximately 31.42 acres. The uses proposed include townhomes (number of units not identified), 275 units of multifamily apartments, and 16 single family home lot. Three of the parcels are located within the Town and zoned under the Stanbro PD, and the remaining 9.7 acre parcel would need to be annexed into the Town's boundary. The proposed project is located west of the intersection of Lake Gulch Road and East Plum Creek Parkway roundabout, primarily in Councilmember Dietz's district.

The View Vestibule Tenant Entrance

Staff received a pre application meeting request seeking information on application and submittal requirements to modify the ground level retail space at The View, 610 Jerry Street, by creating a second entrance and granting exclusive vestibule use to the incoming tenant. The proposed changes would establish an independent entry for a future adjacent tenant. The proposed project is located at 610 Jerry Street in Councilmember Davis' district.

Walmart Supercenter WING Drone Delivery

Staff received a pre-application meeting request seeking information on application and submittal requirements to a proposed Walmart Supercenter WING Drone Delivery project, which would introduce a small package and grocery drone delivery service within a six-mile radius of the existing supercenter. The proposal includes installing an 18-stack drone charging pad powered by a temporary battery storage unit, along with associated storage and fencing to secure operations. Minor site modifications would reduce onsite parking from 832 to 800 spaces. The proposed project is located southeast of the intersection of Castleton Court and Justice Way, in Councilmember Davis' district.

Ongoing Development Activity:

Commercial Development Activity

- **Promenade:**
 - Chick-Fil-A site plan review for changes to drive through lanes
 - Lazy Dog Restaurant site and building construction for a new stand-alone restaurant, located on the northeast corner of Castlegate Drive West and Promenade Parkway.
