

## CLG Training Schedule Spring/Summer 2022

*All current and prospective Certified Local Governments are invited to join History Colorado's State Historic Preservation Office for a series of online webinars. All webinars will be hosted on Zoom. Additional SHPO-approved conferences, presentations, and trainings are also listed.*

### **Pikes Peak Preservation Forum IV – Conference**

May 6, 2022 – 9-1 – held virtually via Zoom

Description: The Historic Preservation Alliance of Colorado Springs is hosting a virtual conference and neighborhood forum for those in the Pikes Peak region. Attendance is free, and includes sessions on Preservation in the City, Historic Preservation in Colorado and CLG Program Training, Advocating for the Preservation and Vitality of Historic and Older Neighborhoods, Sizzling Topics and Savvy Solutions, and Wood Windows Up Close and Personal.

### **Disaster Management Planning and Historic Districts – Webinar**

May 18, 2022 – 12-1 pm

Description: How can Colorado communities protect their historic resources against natural hazards and disasters like floods and wildfires? This webinar will cover the foundations of disaster planning for historic preservation. The presenter will discuss the scope of the issue in Colorado, describe best practices for doing risk and vulnerability assessments, and provide best-practice tools and practices from historic districts around the state and region.

Presenter: Andrew Rumbach, Associate Professor, Department of Landscape Architecture & Urban Planning, Texas A&M University

### **NAPC – Preservation Justice: Making Your Local Government Preservation Program More Equitable – Webinar**

May 20, 2022 – 11-12:30

Description: There has been much discussion in the preservation world over the last several years about the need for a more equitable preservation practice. Local government programs have the ability to be leaders in creating a more inclusive historic preservation program. How can you begin to incorporate diversity, equity, inclusion, and accessibility into your preservation work? Join presenters in discussing actionable measures and case studies that can serve as models for your community.

**CPI Training: Window Restoration – Workshop**

June 4, 2022 – in person at the Saguache Hotel in Saguache

Description: Join the owner of the Saguache Hotel, Andy Hackbarth, and Window Preservation Alliance member Jon Sargent with Deep Roots Craftsmen, for a hands-on workshop of window repair and restoration. The workshop will provide a look at some active window restoration work, providing insights and tips for those looking to learn tricks of the trade, and/or wondering where to start with their own historic windows. Attendees will learn about common pitfalls and best practices while being at one of Colorado's Most Endangered Places, The Saguache Hotel.

*CLG Education Scholarships are available for this workshop.*

**National Alliance of Preservation Commissions FORUM 2022 – Conference**

July 13-17, 2022 – in person in Cincinnati, OH

Description: NAPC's FORUM is the only national conference focused on the issues facing local historic preservation boards and commissions. Held on a biennial basis, FORUM includes dozens of educational sessions and discussion panels, mobile workshops and tours, and five days of non-stop networking for commission staff and volunteers representing local, state and national organizations and government agencies.
