INTERNET SAFETY

TIPS & REMINDERS:

These days everyone has access to so many different electronics that lead them right to the Internet. Here are some helpful tips to keep in mind.

- Don't give out personal information about yourself or your family (address, phone number, parent's work information, school's information, etc.)
- When creating a screen name, do not use personal information like your last name or date of birth.
- Do not share your passwords.
- Not everything you read online is true.
- Not everyone may be who they say they are or the age their profile says in chat rooms.
- If you agree to meet with someone you met online, meet them in a public place and bring along a parent or friend.
 - » You can also use the Castle Rock Police Department's lobby or their vestibule area (24/7) as a Safe Transaction Zone to meet people during selling or buying from online sites.
- Don't send or respond to mean or harassing messages.
- Don't post photos or videos that are inappropriate.
- Do not open emails or files from people you don't know as they may contain a virus.
- Remember, anything that is posted on the Internet is there forever (e.g. pictures, statuses). Even if you delete these items, they still exist in the Internet world.

DETECTIVE UNIT

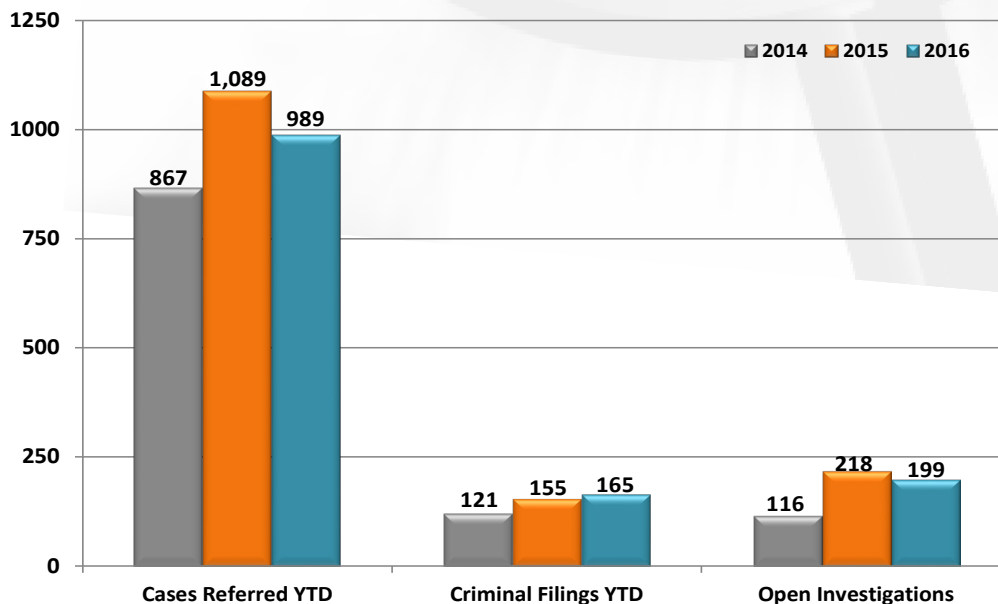

Brittany Wood joined us this past summer to complete an internship for her college studies. Brittany is studying Forensic Science at West Virginia University. During the 280 hours Brittany spent with us, she was able to spend time with each division at the police department as well as the municipal court. She attended ride-a-longs with patrol and community policing and was able to study how and why evidence is packaged during a criminal investigation. Lastly, she had the opportunity to observe an autopsy at the Douglas County Coroner's Office and shadow staff at the Douglas County Sheriff's Office crime lab. We wish Brittany well with her continued studies.

A Poem for our Heroes in Black and Blue

For the brave men and women who protect us, we couldn't be more grateful
 It's disappointing to see all of the fuss, and witness attitudes so hateful
 To be a police officer, is to choose a life of courage and character
 Hero is your moniker, you keep us safe from danger
 You never know what you are walking into, your bravery is for a chosen few
 We love, respect, and honor you, we salute the ones in black and blue!
 We pray Psalm 91:11 over you -
 For He shall give His angels charge over you to keep you in all of your ways
 Thank you for all that you do for us!
 With love and respect

MISSION

The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime-analysis and community involvement.

VISION

We are committed to partnering with the community to improve the quality of life, prevent and reduce crime, and provide excellence in police service.

Appreciation letter

(from page 8)

You may not know us, and you definitely don't know how much you mean to us. We know you have had several major losses lately of your brothers and sisters. We know that right now times are tough for you, our brave heroes, and we don't know how to fix that besides being able to tell you how much you mean to us.

We see you in your cars riding around and doing what you love to do. Helping the community. We may at times get angry at you for giving us a ticket or telling us we are doing wrong but just know even though you did that you probably just saved our lives. You don't get enough credit. You don't get enough good recognition. Just know the things you try and teach us when you talk to us, like love one another and be kind to people, it does stick with the majority of the people in this world. You all need to

know that what you do by putting your lives out there every single day, not knowing if you are going to make it home or not to your loved ones, sits heavy on our hearts. You are risking your lives for my family and I don't think I will ever be able to repay you for what you do and the sacrifices that you make. Just know, heroes, that **WE LOVE YOU!** We appreciate you and that we will always have you in our thoughts and prayers. Thank you for everything you do to protect us. Know that **YOUR LIVES MATTER TO US!!** You are the ones that will make sure that my kids will be able to grow up safe and that my kids will be able to go to school and even if someone threatens that school, I know you will be the first ones in the door to protect them. I would never be able to do the things you do and I will never be able to truly express my gratitude. Again, **THANK YOU!!** God Bless you for being the kind and caring people you are. We love you! We stand with you!
