FAST FACTS – Alexander Place Annexation

Project# ANX16-0002

Description: Martinez Real Estate, LLC has submitted an annexation petition to bring approximately 8.4 acres, now part of unincorporated Douglas County, into the Town of Castle Rock. The parcel is addressed as 382 Alexander Place and is located east of the Alexander Place and Allen Street intersection. The Annexation Petition has been accepted by the Town as complete. Town Council found the annexation to be in Substantial Compliance with State statutes and in conformance with the State Eligibility criteria.

Status: For current status contact the project manager.

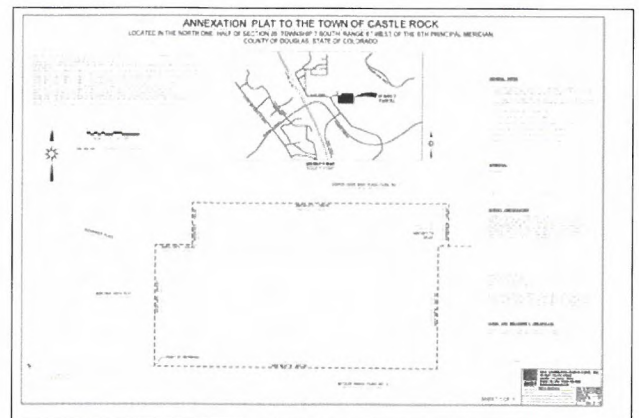

Construction schedule: To be determined

FAST FACTS – Arbors PD Zoning Amendment

Project# PDP16-0002

Description: Paragon Engineering, on behalf of the property owner, has submitted an application to amend the zoning regulations of the Arbors Planned Development (PD). The amendment proposes to increase the maximum building height for multi-family and assisted care, convalescent or retirement buildings to 55-feet from 40-feet and to decrease the minimum setback requirement for assisted care, convalescent or retirement buildings to 20-feet from 40-feet. The application will require public hearings before the Planning Commission and Town Council.

Status: For current status please contact the Project Manager.

Construction schedule: N/A

Of note:

Contacts: Applicant: Troy Denning, Paragon Engineering, 303-794-8604
Property Owner: Wolfensberger Property Group LLC
Project Manager: Donna Ferguson: 720-733-3566, DFerguson@crgov.com

Location Map

Residential Single Family	Maximum lot area 6,000 sq. ft., setbacks not determined until Final Plat. Maximum building height shall be 35 feet.
Multi-Family	Maximum gross density shall be 16 DU/Acre. Set backs not determined until Final Plat. Maximum building height shall be 55'40' feet.
Assisted Care, Convalescent Retirement Communities,	Maximum Number of units is 160. Setbacks of 10' for the side lot, 20' for the rear; and 20'40' for the front. Maximum building height shall be 55'40' feet.

FAST FACTS – CALVARY CHAPEL CASTLE ROCK SITE DEVELOPMENT PLAN

Project# SDP16-0031

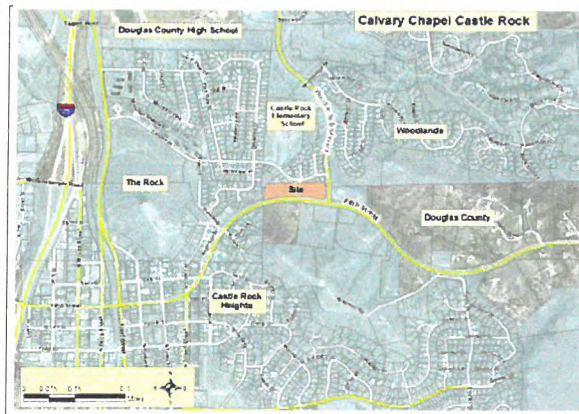

Description: Calvary Chapel Castle Rock, LLC, has submitted a request for Site Development Plan (SDP) review. The proposal is to construct a 22,506 sq. ft. church that will seat 758 people. Access will be gained from two points - one from 5th St at the south property boundary and one at the north property boundary from Canyon Drive. Parking will be provided on site with a 277 space lot. The use of the site is specific to church services, one on Saturday evening and two on Sunday. Additionally, the church will host a Wednesday night bible study group of approximately 80 participants. The church office and full time staff will be housed within the church during the week; however, there will be no daycare or private grade school offered at the church during the week.

Status: For current status contact the project manager.

FAST FACTS – Castle Rock Industrial Park

Annexation & Zoning

Project# ANX14-SZ16-0002

Description: Polo Properties Holodings, LLC is proceeding with an application for Annexation & Zoning for property known as Castle Rock Industrial Park which was previously owned and brought forward for Annexation & Zoning consideration by Castle Rock Industrial Park, LLC. The property is approximately 4.5 acres in size and is currently under the jurisdiction of Douglas County. The property is addressed as 2801 Highway 85 and is located just north of the intersection of Highway 85 & Liggett Road. The applicant proposes to zone the property I-2 General Industrial which would permit uses such as warehouse, shop, office or flex space uses.

Status: For current status information please contact the Town Planner.

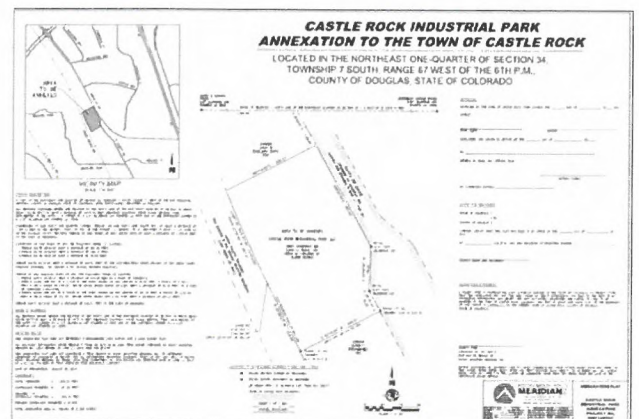

Construction schedule: Not known at this time.

Of note: On March 23, 2017, the Planning Commission voted 4-0 to recommend approval of the Annexation & Zoning applications.

FAST FACTS – Crystal Valley Ranch Filing No. 11

Site Development Plan

Project# SDP17-0007

Description: Crystal Valley Ranch Filing No. 11 is located southwest of the intersection of Crystal Valley Parkway and West Loop Road. The zoning on the property allows up to 151 single-family lots and a maximum density of 6 dwelling units per acre. This Site Development Plan complies with the approved zoning, proposing 140 single-family detached homes on 25 acres, for a gross density of 5.7 dwelling units per acre. There will be two access points to the neighborhood; one from Crystal Valley Parkway and one from West Loop Road.

Status: 9-5-17: Town Council approved the Site Development Plan as proposed.

FAST FACTS – Crystal Valley Ranch, Filing 17

Site Development Plan

Project# SDP17-0003

Description: The 22 acre site is located southeast of the intersection of West Loop Road and Fox Haven Drive, near the Pinnacle recreation center. The property is zoned R-TH-12, which allows 158 townhome units and a density of 7.8 dwelling units per acre (du/ac). This site plan proposes 120 single-family, detached units with a gross density of 5.5 du/ac. The lot sizes will range from 4,538 square feet (s.f.) to 13,676 s.f. Two points of access are proposed; one from Fox Haven Drive and the other from West Loop Road. The homebuilder is Kauffman Homes; the builder in Filing 16, directly north of this site. This neighborhood development will be Phase II of the Kauffman project.

Status: Town Council approved the Site Development Plan as proposed on August 1, 2017.

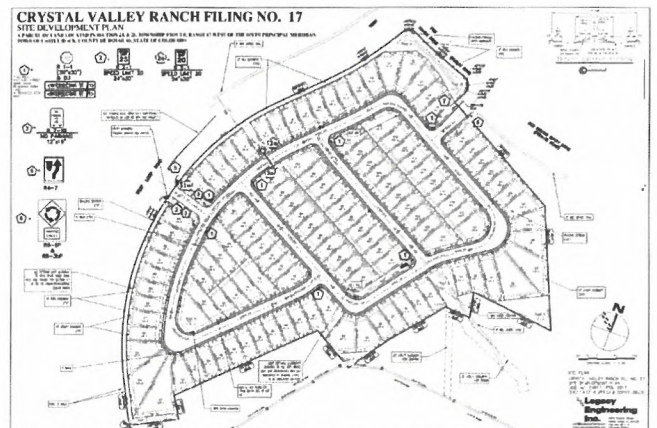

Construction schedule: TBD

Of note: A neighborhood meeting was held on 1-31. Four people attended and asked ?'s about timelines, price points, site grading, and building elevations. Input was positive.

FAST FACTS – Pioneer Ranch (Annexation, PD Plan and PD Zoning Regulations) Project# PDP15-0007

Description: Pioneer Ranch is located west of Founders Parkway and east of Front Street. Metzler Ranch PD is located to the west, Pinion Soleil to the north and Pine Canyon (A-1) to the south. The site is approximately 388 acres. The PD Plan and Zoning proposes a mix of uses, with a maximum of 1,123 dwelling units, a gross density of 2.89 du/ac and up to 400,000 s.f. of commercial/office/retail uses. Approximately, 78 acres would be set aside as open space and an additional 40 acres as dedicated public land, to include a school site. As per the Town's Transportation Master Plan, Woodlands Blvd. is proposed to be extended from its current terminus, south. A new east/west road would link Founders Parkway and Front Street.

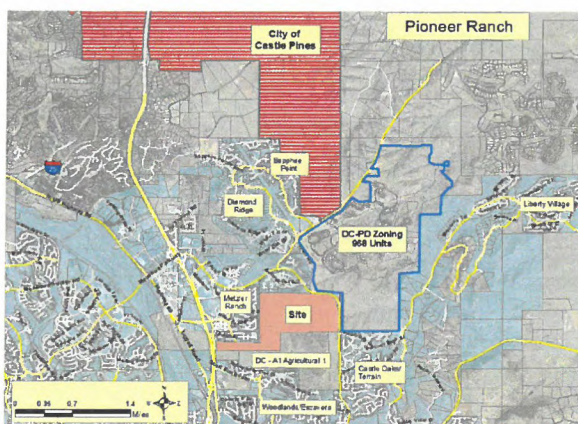

Status: For current status contact the project manager.

Construction schedule: To be determined.

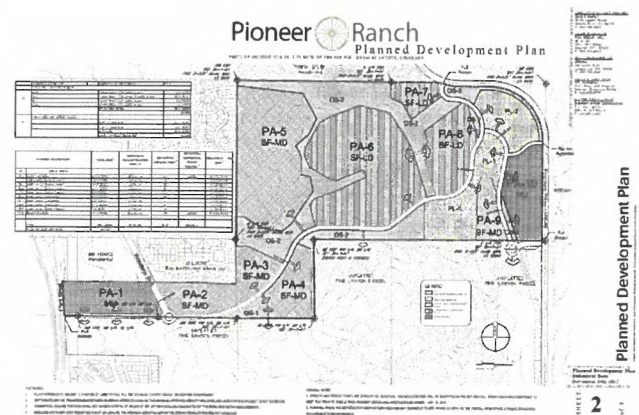

Of note: The Comprehensive Master Plan identifies this area as a future residential and mixed use.
