## WARMING UP VEHICLES MOTOR VEHICLE PREVENTION TIP

As the days become colder, most of us warm up our cars before driving to work, and many of us do not want to wait outside shivering while our vehicle is warming. Unfortunately, criminals know we are not fond of this routine and will attempt to take advantage of any opportunity. An unlocked vehicle *left running with the keys in the ignition* is a prime target for theft.

Below are a couple of tips to ensure your vehicle does not become a target while warming up:

1. Do not leave your vehicle unattended - leaving a vehicle running and unattended is illegal in the state of Colorado.  
⇒ Instead: stand near, sit inside the vehicle or scrape off the snow and ice while your car warms up.
2. Do not leave your vehicle running and unattended while you run errands - especially with children inside.
3. Keep your garage door opener and any spare keys with you not inside the vehicle. If your vehicle is stolen, the criminal may come back with your garage door opener in an attempt to access your garage and take other items.

As always, if you see any suspicious activity in your area, contact Castle Rock Police Department to report it! If the activity is currently in progress, please call 911.

## IN THE SPOTLIGHT

Our department provides high school students with the opportunity to learn about the police department through an internship program. For the past eight weeks Scott Brown, a student from Castle View High School, has spent time with several of our divisions including Dispatch, Records, Patrol, Traffic, COPPS, Property & Evidence and Municipal Court.

Scott is also involved with the Douglas County Sheriff's Office Explorers Program and works part-time at Target in Castle Rock. As a senior in high school, Scott is currently in the process of applying to several universities but hopes to study Chemistry and possibly Pre-Law at San Diego State University in the fall. He is interested in a career in either Forensic Pathology or Law.

Good luck in your endeavors, Scott!

## Ride-along Thanks!

"I had the privilege of going on a "Ride-Along" with Officer Ben Leach yesterday during the Swing Shift and had a fantastic time...I have lived in Castle Rock for the past 2 years or so and really enjoy our community. In riding with Officer Leach, I learned a great deal about CR and a great deal about our [CRPD]...we had a call to King Soopers and as we were walking around in the store, a few people came up to Officer Leach and thanked him [for all they do] for the citizens of Castle Rock... it was so awesome to hear and see the average citizen appreciate your officers...being with Officer Leach has got to be one of the best Ride-Alongs I have participated in... I appreciate all you do for the community and am a proud citizen of Castle Rock.

## MISSION

The Castle Rock Police Department is dedicated to excellence through community safety, innovation, and public trust. Our goal is to provide for the safety and welfare of both the citizens and visitors of the Town of Castle Rock utilizing effective community-policing philosophies, including crime prevention, traffic enforcement, criminal investigation, crime-analysis and community involvement.

## VISION

We are committed to partnering with the community to improve the quality of life, prevent and reduce crime, and provide excellence in police service.

## Halloween Patrol

"I wanted to send positive feedback about police presence in my neighborhood. An officer was there on Halloween night. I saw the vehicle, and my children came in to tell me the officer was talking to kids and handing out candy. My kids really enjoyed the interaction. I was pleased...that officers were out patrolling the neighborhood at a time so many young people are out on the street. It seemed like a good way both to build some positive relationships with kids and to keep an eye on things, enhancing safety. Thank you!
