Hi Michael,

It was nice to meet you yesterday! As promised, we are reaching out so you have our contact info, as well as to share some details around the fence being built in the next couple weeks. We close on May 1st, and will be moving in on May 2nd. We are also scheduled to have Custom Fence come out to install the fence on May 2nd. Custom Fence did mention that it could take multiple days to complete (likely 2 days), so just a heads up on that.

The quote for the back wing is \$962.50, which includes chicken wire. As we have the dogs, Justin and I will cover the chicken wire cost of the fence.

The chicken wire is \$3/ft x 55' (length of back portion of yard) = \$165

$\$962.50 - \$165 = \$797.50$

$\$797.50 \text{ total} / 2 = \398.75 each

Per our discussion yesterday, please take your time on this, as we know your deck is a priority. Additionally, we wanted to put in writing that we approve of your deck.

Please feel free to reach out with any questions via e-mail or phone (my number is below.)

See you soon!

Hi,

I am sending this in regards to your patio. As your neighbor I would have no issue with you adding. We all need a place for our grills. Please let me know if there is anything else you may need. My number is 303-669-5780.

Thanks
Your New Neighbor
