MOTOR VEHICLE THEFT PREVENTION

Motor vehicle theft is on the rise in Castle Rock, and law enforcement needs your help in preventing motor vehicle thefts from continuing. Not all motor vehicle thefts are crimes of opportunity, but that doesn't mean criminals won't take the opportunity should they feel your vehicle would be an easy steal.

In order to *help* law enforcement *help* you, below are methods in which you can further secure your vehicle to make it less appealing or easy for thieves:

- Never leave the car running or with keys in the ignition, even if you know you will only be away from your vehicle "for a minute."
- Never leave your keys inside the vehicle. ALWAYS have the keys to the vehicle with you.
- Always make sure that the windows are rolled up and the vehicle is locked, even if the vehicle is in your garage or parked in front of your house. Criminals are not beyond stealing a vehicle that is in close proximity to or inside of your residence.
- When you are out and about, park in well-lit areas that also experience a lot of foot traffic. The potential of being too easily seen by too many witnesses may work as deterrents for vehicle thieves.
- For extra protection, install a mechanical locking device—such as clubs, j-bars, or collars—that prevent the wheel from being turned more than a few degrees while you are away from the vehicle.

Remember to contact **Castle Rock Police Department**, if you feel you have been a victim of a crime.

VICTIMS ASSISTANCE UNIT (VAU) UNIT STATISTICS JULY (2016-2018)

In July, Victim Advocate Marsha Davenport was invited to present at a meeting with Teen Court. Marsha shared our brochures, explained victim rights, and described the responsibilities of victim advocates.

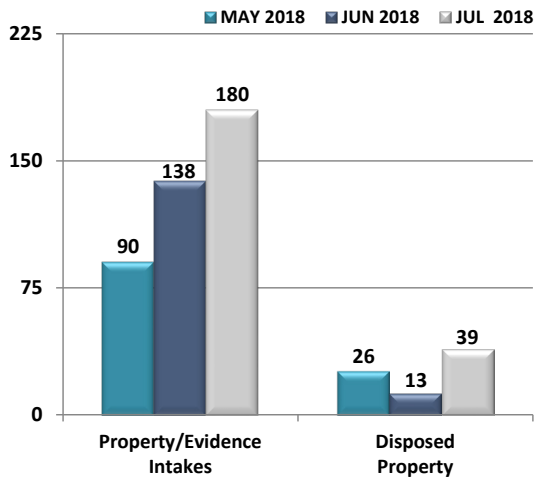

On July 9, the Victim Assistance Unit attended a joint training with volunteers from Douglas County Sheriff's Office, Parker and Lone Tree Police Departments. Hosted by Lone Tree Police Department, volunteers heard from Jennifer Bishara, Sex Assault Nurse Examiner (SANE) Coordinator and learned about the sex assault reporting options for victims and what exactly happens during the exam. Bringing all the volunteers together from different agencies builds rapport and fosters ongoing professional relationships so that, if needed, we can assist each other in the event of a larger crisis.

Burger Surprise!

“A delicious surprise awaited the department by Mrs. Deanna C. She set up a box of burgers and chicken sandwiches, with all the condiments you could wish for, and a bowl of homemade chips. It was very well received! Thank you Deanna and Red Robin Restaurant!”

Officer Stembel Thanks!

“I was distracted...ran over a curb today. I got bounced around and the car made such a racket I thought I was going to [need a tow] so I called AAA. Officer Stembel stopped...and determined I had ruined a tire. He called a local repair, and I was soon on my way. He even asked the repair person to check the air in my spare tire, which was low. Officer Stembel's help and good judgement saved my husband from coming to get me. Officers like Troy Stembel are the best public relations a [PD] could possibly have. He was very calm and helped me through an upsetting situation and saved my husband from making a useless trip. Bless all of you for all you do.”
