FAST FACTS – The Lanterns Major PD Amendment

Project# PDP18-0003

Description: A major Planned Development (PD) amendment has been submitted for the Lanterns PD, located south of Plum Creek Boulevard and Crystal Valley Parkway. The site is approximately 848 acres. The current zoning allows up to 1,200 single family units, recreation facilities and approximately 437 acres of open space/public land. The proposed zoning amendment would create a new 4.5 acre planning area and allow a church as a permitted use. In addition, the amendment would incorporate into the Lanterns PD, the 5.2 acre parcel located on the southwest corner of Crystal Valley Parkway and Plum Creek Boulevard. That property is currently zoned commercial under the Heckendorf Ranch PD zoning and would remain commercial under the Lanterns zoning. Approx. 432 acres would remain open space.

Site Development Plan Amendment Project# SDP18-0024

Description: The Riverwalk North and South project was originally approved by the Design Review Board on September 14, 2016, with an amendment approved on April 26, 2017.

The owner and developer, Confluence Companies, is proposing a minor Site Development Plan Amendment to the North building. The amendment changes the design of the patio on the south edge of the North building, which is adjacent to the gulch and trail. The patio would encroach within Town property, which would require an encroachment agreement with the Town if the patio design is approved.

Status: Please contact Town project manager for current status

Construction schedule: site is already under construction

Of note: The Design Review Board will consider this amendment at a public hearing.

FAST FACTS – Riverwalk Common Sign Plan

Project# SDP18-0014

Description: Arthouse Design has submitted a Common Sign Plan on behalf of the Riverwalk Development. The purpose of the document is to create a policy for a comprehensive and balanced system of signs for the project. The plan identifies the developments identification signage while also creating standards for the retail/tenant signage. The standards are intended to set out a coordinated program for identification signage and retail/tenant signage. The standards set forth in the Common Sign Plan will be in addition to the Town of Castle Rock Downtown Sign Regulations. The Common Sign Plan will be processed as an amendment to the Riverwalk Site Development Plan and will go before the Town of Castle Rock Design Review Board for review.

Status: Please contact the Town's contact for the current status

Construction schedule: TBD

Of note: The Common Sign Plan will be reviewed at a public hearing by the Town of Castle Rock Design Review Board on a date yet to be scheduled.
