Lisa,

Thank you for the opportunity to comment. Please add this to the record for tonight's 1st reading of the Liquor Licensing Ordinance for Town Council.

Douglas County School District requests that the eTown of Castle Rock notify the District of new applications for liquor licenses within 500-ft of schools and dedicated school sites as defined by CRS 12-47-103 (32) in order to enable the District to collaborate with the Town of Castle Rock to effectively address student and parent concerns.

Thank you
