Ms. Kirkpatrick certified that the application had been publicly noticed and entered her staff report into public record.

The applicant is requesting approval of the design review of a proposed covered deck to the front of her property located at 306 N. Lewis Street. The applicant did gain approval of a variance by the Board of Adjustment to encroach the front setback with the condition that the Historic Preservation Board approve the design of the proposed deck. Samples of the Trex material to be used as well as a manufacturers brochure were presented to the Board.

The applicant did not have a presentation, however, she and her architect did answer questions of the Board. The applicant also provided the Board with signatures from neighbors in support of her application.

PUBLIC COMMENT:

One neighbor spoke in support of the applicant and confirmed the Boards question of whether other homes in the neighborhood have decks constructed of the same Trex material.

Vice Chair LaFleur motioned to approve the design review request for 306 N. Lewis Street. Board Member Smoldt seconded the motion.
