One-By-One Policing

To serve people one-by-one so together we can create environments that are safe and secure and where people can thrive

One-by-one policing is Castle Rock Police Department's newly adopted vision and is a unique way of leading and serving people that is central to our mission of providing a safe and secure community. It is why we do what we do, and it all starts within our organization. This page is dedicated to the ways in which we as a department reach out to our community **one-by-one**.

Maisy and Caleb received \$22 in tips from their lemonade stand (held the previous weekend). They wished to donate their tips to our police department. Cmdr. Lyons, Sgt. Collins, and PIO Cybert met with them and discussed the donation choices we had available. After careful contemplation, they chose the Books & Bears for victims of crime. Their dad was so proud of them - and so were we!

Sergeant Speaect observed one of the officers on his team (S. deLumeau) handing a homeless man a pair of his old boots, after noticing the male did not have any shoes. Thank you, Officer deLumeau for seeing a need and acting with compassion.

Good people - I just want to say thank you to your department, and specifically the officer (Sgt. Ruisi) who made a traffic stop about 10:00 am at the intersection of Front Street and Canyon Drive. This officer stopped a [driver] who failed to stop for me while I waited to use the crosswalk...[The driver] was traveling a bit faster than I thought [appropriate] for that area, and drove straight across the raised island for the traffic circle located at 3rd and Perry. [The driver] did not slow down until [hitting] the raised portion, and continued northbound, giving no regard to me standing on the curb waiting to cross east to west. In my opinion, [the driver] made no sincere effort to come to a full stop.

I was a little miffed...and did not even notice your officer who was waiting on 3rd Street to make a northbound turn onto Front St., until after he had made the turn behind her.

What did I see? This [driver] was pulled over! Sometimes there really is an officer right there when you need one! Please tell the officer involved, "Job well done" from a thankful citizen.

Thank you and thank you all for your service to our community.

Message from the Chief

Welcome to the Castle Rock Police Department's Monthly Report. The format of the report is purposely designed to mirror our department's five-year strategic plan. This will allow members of the community as well as members of our organization to gauge how we are progressing in key areas of our strategic plan.

The Police Department's strategic priorities will anchor and update the main sections of this report. By doing so, this will facilitate our continued focus on implementing our strategic plan and providing outstanding service to the Castle Rock community.

There are six strategic priorities included in the Police Department's Five-Year Strategic Plan:

Priority 1: Crime

Priority 2: Traffic Safety

Priority 3: Employees

Priority 4: Prepare for Future Growth

Priority 5: Community Policing and Partnerships

Priority 6: Technology, Equipment and Training

Chief Cauley presented the annual One-By-One Policing award to Officer Seth Morrissey at our May Awards Ceremony. As a member of the Community Partnership Unit, Officer Morrissey is directly intertwined in quality of life issues that directly affect our residents. His position gives him a unique lens to view the community and identify those in need of help. This requires someone who cares, takes the time, and effectively uses resources to make a difference. This is where Officer Morrissey confidently accepts the challenge. In the past year, he raised over \$75,000 dollars benefiting the citizens of Castle Rock, which supported Heroes and Helpers, St. Baldrick's and several other community programs that provide crucial resources to those in need. Officer Morrissey takes a personal stake in quality of life issues throughout the community. By quickly addressing these issues, he creates community support for our organization and sets a foundation for other officers to have an impact in their daily duties. More awards are shown on [page 15](#).

CRPD's Victim Assistance Unit was honored to answer the request for assistance in the aftermath of the tragic shooting at the STEM school in Highlands Ranch. Volunteers and staff assisted at the reunification center comforting parents and children. In the days following this traumatic event, Coordinator Lewis and some of our Victim Advocate volunteers arrived to volunteer at the St. Andrews church (resource center) where the STEM community gathered. As advocates, we continued to provide support to the families seeking a place of peace and resources.
