The Fort Building  
407 Wilcox  
Castle Rock, CO 80104

Facade Renovation Review  
Date: August 28, 2019

## The Fort Building

Located at 407 Wilcox, the current one-story building is the home office for Aaron and Kimberly Fort. Their company, The Fort CPA Group provides accounting services for the residents of Castle Rock and Douglas County.

They would like to improve the look of their building with a new façade that will face Wilcox Street adding to the heart and soul of downtown Castle Rock. The building sits just north of the Castle Café in the historic district of downtown Castle Rock – just off the square.

# Proposed Location & Vicinity Map

# Existing Front View

Photo taken from the Northeast

- Remove the old mansards.
- Add a new parapet.
- Paint the existing brick.
- Update the materials.
- Add some fun signage
- Be contextual with the historic downtown.

## Proposed New Front Facade.
