Maia Aman;

Hi Maia,

Could you please pass this along to the Art Commission?

- If I get a commitment to purchase one or both of the paintings, they can wait to pay me after the first of the year with a new budget.
- I will donate an 11" X 14" print of either or both to the Art commission (as we did with the Museum) with purchase of the original.
- For the Fire Department, I will donate 10% of the purchase price back to CRFD. We can also promote it as a collaboration between the Art Commission and I to benefit the CRFD. Possibly arrange a day to bring them the painting and make it an "event" to give additional PR to the Art Commission. My marketing brain is always working and any additional exposure for the arts is always a plus!

Thank you again for your time and consideration,
Cindy Welch
