Design Review Board Meeting

Please:

- Sign in below, print clearly and complete all information requested.
- Be seated near the front of the room, respond promptly when called.

Speaking Instructions:

- Speakers have four (4) minutes to address the Board and comments must pertain to the agenda item.
- When called to speak, sit at the podium desk and speak clearly and directly into the microphone.
- State your name, if you are a resident, and your relationship to the item.
- Direct your comments to the Board Chairperson.
- Be respectful – disruptive behavior may result in you being asked to leave the meeting.
- If your comments are the same as a previous speaker, acknowledge your agreement with those comments rather than repeating testimony.
- The Board generally reserves the right to not respond directly to your questions when you propose them. Board and/or Staff may try to answer questions at the end of all public comment, or a Staff member may follow up with you later in the meeting.
- Special items to present to the Board (handouts) need to be given to the Recording Secretary or Staff to be distributed to the Board Members.
- All presentation items need to be given to Development Services staff 24 hours prior to the meeting.
