

RESOLUTION NO. 2019-__

RESOLUTION APPROVING A CONSTRUCTION CONTRACT WITH GLOBAL UNDERGROUND, INC. FOR THE HECKENDORF RAW WATERLINE

WHEREAS, the construction of a new Heckendorf raw water transmission pipeline along East Plum Creek is needed to replace a section of pipeline that is exposed in the creek. The exposed pipeline was discovered in 2017 during a bank stabilization project to protect an existing sewer interceptor that is located in the same area; and

WHEREAS, the existing Heckendorf raw water transmission main is used to convey water from the Heckendorf Alluvial Wells and the Lanterns Wells to the Plum Creek Water Purification Facility. The existing main was constructed in the mid-nineties along Plum Creek; and

WHEREAS, the design of the new Heckendorf raw water transmission main shifts its alignment to the east. The new alignment avoids crossing the active channel. The new pipeline will be installed by Horizontal Directional Drilling (HDD), which is the method determined to be the best construction method; and

WHEREAS, the Town and Global Underground, Inc. ("Global"), have agreed to the terms and conditions by which Global will undertake construction of the Heckendorf Raw Waterline.

NOW, THEREFORE BE IT RESOLVED BY THE TOWN COUNCIL OF THE TOWN OF CASTLE ROCK AS FOLLOWS:
