Hi Maia,

I hope you had a great weekend! I went to the Monet show at the Denver Art Museum. Fantastic!!!

Last week Marti talked with Brandon Nudd, CEO, and their facilities director. The location that they are recommending for hanging the painting is on the first floor by the staircase. It is visible from the front entrance and reception area. Marti was going to find out if it is possible to hang the painting before the end of November and get back to me.

Looking forward to our meeting on Thursday,

Stephanie
