these two expenses. We are fortunate that the PS Miller Library and Castle Rock Parks and Rec allow us to use performance venues at no cost.

Eligible project area for which funds are requested:

How does this project benefit Castle Rock residents?:

Castle Rock Band provides an opportunity for local musicians to rehearse and perform in a non competitive environment. The majority of our members are seniors, some of whom have not played in several years. We publicize all concerts via fliers, signs, Facebook and the News Press, and invite the community to attend free of charge. Our annual Memorial Day Weekend concert features the local American Legion Post for the presentation of the Colors. This has become a tradition in Castle Rock and this concert routinely attracts 100 or more people who come to listen to patriotic music and celebrate Memorial Day.
