Design Consultant's Mark-up on Subconsultants included above:	0%
---	----

NOTES:

- The Client is looking for a complete design, therefore include additional consultants that you require for this project.
- Identify Design Contractor's mark-up on their subconsultants above. The Design Consultant is responsible for providing fully coordinated design documents.
- Provide a specific separate budget for reimbursable expenses (as Attachment "E").
- Within Contractor Selection category, include time required to assist the Owner in selecting a contractor.
- This design fee shall be all inclusive as determined to provide complete design services.
