[PAC 2019-075](#) **Tree of Wings Project Update**

Throughout November, the electrical connection to the sculpture site was completed and the light casings were installed. The foundation was also poured with oversight from artist Mary Williams. The piece is scheduled to be installed on Tuesday, December 17, weather permitting.

The Commission discussed hosting a dedication event in the spring, likely March. They would like to issue a press release to notify the public of the installation and identify in the

release that planning for a dedication event is underway. The Commission also reviewed the plaque submitted by the artists, which will title the sculpture.

[PAC 2019-076](#) **Discussion/Direction: Placement of the Rock Paint-by-numbers**

The Commission discussed the placement of the Rock Paint-by-numbers since the hospital identified the need to find a new location. Commissioners generally approved the new location offered by hospital staff, which will be near the vending machines on the main floor.

Commissioner Stephanie Brueggemann suggested hosting some type of unveiling or dedication event at the hospital and offered to contact Adventist to assess interest and initiate a tentative plan. A press release could be issued with the event's details once solidified.

[PAC 2019-077](#) **Discussion/Direction: Repair of Dancing Moon IV**

Commissioners discussed the repair of Dancing Moon IV. The artist of the piece, Reven Swanson, noted she would be able to fix the sculpture for several hundred dollars. Several members expressed concern as to whether or not the glass could be reinforced or made stronger to prevent future damage from weather and hail. Commission Chair, Steve Maruska, motioned to approve spending up to \$500 on repair work for Dancing Moon IV and directed staff to inquire as to whether or not the piece could be reinforced. Commissioner Lauri Maloney seconded the motion. Members also directed staff to have the work completed in December if possible before the close of the 2019 fiscal year.

[PAC 2019-078](#) **Discussion/Direction: Asphalt Art Initiative Grant Application**

As directed by the Commission in November, staff submitted a grant application on Thursday, Dec. 12 to the Bloomberg Philanthropies Asphalt Art Initiative, prior to the 5 p.m. EST deadline. Council Liaison Caryn Johnson expressed concern related to the Commission potentially relegating the creative oversight of the project to the Castle Rock Artist Cooperative. Commissioner Susan Paulsen expressed concern related to having an outside fiscal agent manage the grant funds. The Commission and staff will need to sort through these issues if the grant is awarded and establish accountability controls. Award recipients will be notified in the spring with an expected project completion by the end of the year.
