STRATEGIC PLAN

JANUARY 21, 2020

2020–2024 STRATEGIC PLAN

The 2020 - 2024 Strategic Plan is based on community and membership input, reviews of the Town's and Department's pillars (Vision, Mission, and Values), and sets forth a continuous improvement plan that offers a road map for a justified and sustainable future.

A community driven strategic plan is a cornerstone for the Department's continued International Accreditation through the Commission on Fire Accreditation International.
