Description of specific project for which funds are requested:

The monthly meetings require provisions such as refreshments, office supplies for communications to attendees, ordering educational material for handouts to the meetings. We also plan a pot luck picnic and a Christmas Pot Luck. We are contacting various businesses here in Castle Rock for help in the cost of some of this. As of today, King Soopers on Promenade Parkway has donated a \$20.00 gift card. One attendee with Parkinsons also donated \$20.00. With 20 plus attendees at our first meeting and the anticipation of a growing group require additional donations and funds. That is why we ask for a \$500 grant from the City of Castle Rock.

Eligible project area for which funds are requested:

Senior programs and activities

How does this project benefit Castle Rock residents?:

The only such resource for Castle Rock Parkinson's patients, their caregivers, and their families require commuting to Monument or LoneTree or Highlands Ranch. During our 1st meeting, multiple attendees advised us how thankful they were for this support group in our community. Many residents living in Castle Rock with Parkinson's Disease have trouble with long distance travel as well. All feedback we have received has been nothing but positive that we have organized a Parkinson's Support Group in Castle Rock.
