One-By-One Policing

To serve people one-by-one so together we can create environments that are safe and secure and where people can thrive

One-by-one policing is Castle Rock Police Department's vision and is a unique way of leading and serving people, which is central to our mission of providing a safe and secure community. This is our purpose, our cause, our belief, and it all starts within our organization. This page is dedicated to the ways in which we as a department reach out to our community one by one and where the community reaches back.

"Dear Family,

"Dear Chief,

On behalf of myself and the men and women of the Forsyth County Sheriff's Office, please accept our condolences to you and your agency on the recent death of K9 Ronin... We grieve with you as you remember and honor K9 Ronin... Our thoughts and prayers are with the family of this fallen hero, both blood and blue. Thank you for your service to your community and the S tate of Colorado."

Sheriff Freeman, Forsyth County, GA (2/12/20)

"Dear Sgt. Speaect, When someone distinguishes herself as an exceptionally nice person someone should hear about it... This morning while parked by Rock Canyon HS...my phone rang and it was Officer Bredehoeft who found our 15-month old German Shepherd Buddy along Plum Creek. I told her I couldn't be there to help but asked her to call my wife, which she did. Officer Bredehoeft...brought Buddy home.

We want to thank [her] properly. I asked for your name and address, hence this note of gratitude. She is an extremely nice person and a true credit to CRPD!

Blanket Donation

Conner Miller (10) and a few friends paid the VAU a visit to make blankets for those who have experienced an unfortunate crisis. They are earning community service hours as part of the testing requirements for their certified, first-degree black belts in Taekwondo. All attend Han Lee's Taekwondo Academy in Castle Rock; their testing is currently scheduled for early May 2020. We thank them for their donation and wish them the best at their testing!

New Software Program

In March 2019, after much research, the police department purchased a new piece of software called Apricot. The database was projected to increase efficiencies, track cases, centralize reporting and data statistics, and automate workflow. Implementation was launched in July 2019 and the software has met all expectations.

Recently, VAU volunteers have been trained to enter their call outs in the database. Prior to this implementation phase, volunteers were emailing this information to VA Coordinator Lewis. Now volunteers have a *secure* log-in to the Apricot database and enter all critical information immediately following the call out. This new phase reduces redundancy and securely streamlines data collection.

Saying goodbye to PSD Ronin

With heavy hearts, Castle Rock Police Department, family, and friends said goodbye to our partner and friend, Police Service Dog (PSD) K9 Officer Ronin.

Ronin started with the department on August 4, 2014 with his partner, veteran Officer Todd Thompson. Ronin had a huge impact on both the law enforcement community and citizens of the Town of Castle Rock.

Due to unforeseen health complications, Ronin passed away on February 8 surrounded by his family, partners, and friends.

It was our honor as members of the Castle Rock Police Department to have served with Ronin for the past five and a half years.
