My name is Juan Serrano current owner of El Korita Mexican Restaurant as of 01/01/2020. I was denied the grant due to not holding a town business license for at least a year. This is a Family Restaurant that has been serving the community since early 2016. Previous owner was El Patron Inc managed by my brother in law Juan C Palomera and my sister Maria A Palomera. I would like to ask the members of the council to please reconsider my application, as a new restaurant owner and full time hourly job at Denver Health Medical Center, I was not ready for a crisis like this one. I do not believe anyone was. This grant will contribute for the restaurant rent and utilities. Thank you for thanking the time to review my application, I wish you all to be safe.

Thank you
Juan Serrano

I just got email from the Town that saying we are not getting the Grants for both of our businesses.
We have been doing business in this town for over 20 years.
For all this years, paying taxes and spending for town is nothing.
I know everyone is having difficult time, but if we don't get the Grants is not fair.
All the businesses should have the grant.
