DAVID L. CORLISS, TOWN MANAGER
TOWN COUNCIL MEETING MAY 19, 2020

DESIGN REVIEW BOARD

FOLLOW UP

- Design Review Board Study Session on January 21
- Some Councilmembers favored the status quo, some favored review of possible Code change to have Council approve downtown site development plans of certain square footage, some desired additional input from DRB, some other opinions. No clear direction from Council at the study session.
- Does Council desire to have this item placed on a future Council agenda as a public hearing item?

THANK YOU
