One-By-One Policing

To serve people one-by-one so together we can create environments that are safe and secure and where people can thrive

One-by-one policing is Castle Rock Police Department's vision and is a unique way of leading and serving people, which is central to our mission of providing a safe and secure community. This is our purpose, our cause, our belief, and it all starts within our organization. This page is dedicated to the ways in which we as a department reach out to our community **one by one and where the community reaches back**.

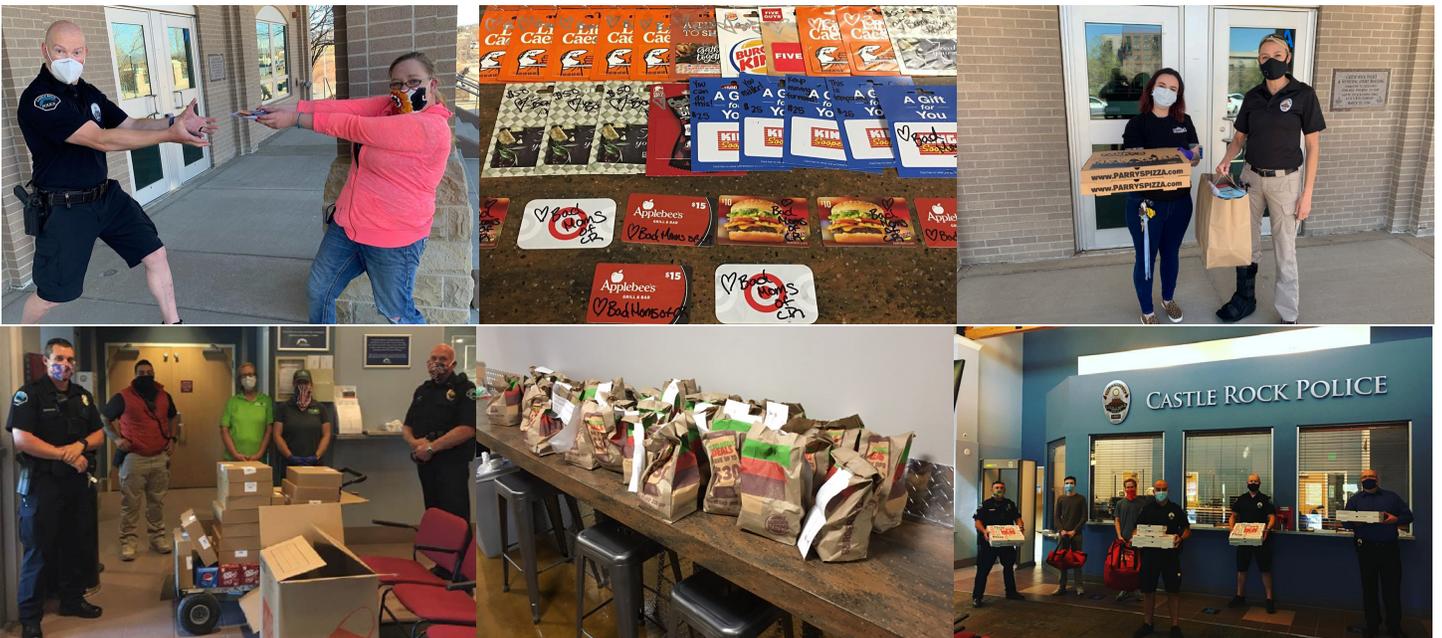

"I reside in Castle Rock. I have had several encounters with [CRPD], which have all been positive. Officer Toliver did an exceptional job helping me and my family during a stressful time of need. He was compassionate, patient, and quite knowledgeable. My family and I feel safe in our community knowing we have such a great PD. To all the great men and women that serve our community, please stay safe and thank you."

Robert B (5/21/2020)

"I am writing you to express my gratitude for the outstanding services of your officers. My mountain bike was stolen from my porch Thursday. Officer Fellows came to my house for the report and had me email him a picture; to my amazement Officer Fellows and Officer Godfrey had the bad guy caught within the hour. These guys actually broke my bike down and brought it back to me themselves. I am so amazed at the care and outstanding service that these gentlemen went out of their way to provide. You guys are the best."

Jennifer Walker, from the Crisis Center, was our guest speaker at this month's Zoom volunteer meeting. Ms. Walker provided an update on their center's new modified services, due to COVID-19. Additionally, she instructed on how to connect with people on the phone who are experiencing trauma and offered suggestions on informed care. The information was helpful and well received as volunteers continue to provide phone services as opposed to responding to the scene. Volunteers are appreciative of the careful and planned steps in terms of safety amidst the State's Safer at Home orders and look forward to providing services in person when permitted.

Notes of interest

Castle Rock Police Department's K9 Shogun received a donation of body armor (bullet and stab protective vest) thanks to a charitable donation from non-profit organization Vested Interest in K9s, Inc. K9 Shogun's vest was embroidered with the sentiment "Born to Love-Trained to Serve-Loyal Always".

Vested Interest in K9s, Inc., established in 2009, is a 501(c)(3) charity whose mission is to provide bullet and stab protective vests and other assistance to dogs of law enforcement and related agencies throughout the United States. This potentially lifesaving body armor for four-legged K9 officers is made in the USA, custom fitted, and NIJ certified. Since its inception, Vested Interest in K9s, Inc. has provided over 3,867 vests to K9s in all 50 states at a value of \$6.9 million, made possible by both private and corporate donations.
