To all council members:

I would like to take this opportunity to show my support for resolution 2020-061. I support opting out of the restrictive public health order of masking and the separation from the Tri County Health Department. After researching data for months I find that many unseen problems could develop in the future both legal and healthwise by mandating face mask wearing. This position is substantiated by only two of many other similar reports: 1) <https://aapsonline.org/mask-facts/> 2) <https://swprs.org/a-swiss-doctor-on-covid-19/> (go to "effectiveness of masks" section)..Thank you for your courage and time in this important matter.
