

## **AGENDA MEMORANDUM**

**Date:** December 1, 2020

**To:** David L. Corliss, Town Manager

**From:** Tara Vargish, Director of Development Services

**Title:** **Town Manager Report – Development Project Updates**

---

The high growth nature of Castle Rock results in numerous and diverse questions from individuals seeking information about existing conditions and future plans. Information on community development activity and formal land use applications are located on the Town website under the Development Activity Map link.

Development activity continues to be strong with continued interest for a variety of project types in Castle Rock. Permit activity remains steady and homebuilders and commercial builders remain active.

### **1. Quasi-Judicial Applications Requiring Public Hearings:**

#### **340 Wilcox Retail Center**

A Downtown Site Development Plan application was submitted for a new retail center, to be located at 340 S. Wilcox Street. The 0.86-acre site currently includes the Pizza Hut dine-in restaurant. The owner and developer would like to build an approximately 3,100 square-foot retail center that is anchored by a new delivery/carry-out Pizza Hut store. They are currently proposing to construct the new building in phases, so they can keep the Pizza Hut open in its existing space until the new space is opened, then demolish the existing structure. The applicant held their first neighborhood meeting on September 22, 2020. This application will have future public hearings with the

Development Review Board. The project is located within Mayor Pro Tem Bower's District.

## **2. Pre-Application Meeting Requests:**

### **Eternal Rock Lutheran Church**

A pre-application meeting request was submitted from Eternal Rock Lutheran Church seeking information on application and submittal requirements to improve landscaping, add a monument sign, add a 320 square foot storage facility and make parking lot improvements on their property located a 2 Phelps Street. Timing of the project is unknown at this time. The applicant held their first neighborhood meeting on November 23, 2020. The proposal is located in Mayor Pro Tem Bower's District.

### **Sapphire Pointe HOA**

A pre-application meeting request was submitted seeking information on application and submittal requirements for adding landscaping on both sides of the entry to the Sapphire Pointe neighborhood. Sapphire Pointe Home Owner's Association would like to enhance their main entrance monument area to include additional plants which would consist of mostly drought tolerant plans and grasses and a couple of large pots for annuals. Timing of the project is unknown. The proposal is located in Councilmember Townsend's District.
