# One-By-One Policing

*To serve people one-by-one so together we can create environments that are safe and secure and where people can thrive*

One-by-one policing is Castle Rock Police Department's vision and is a unique way of leading and serving people, which is central to our mission of providing a safe and secure community. This is our purpose, our cause, our belief, and it all starts within our organization. This page is dedicated to the ways in which we as a department reach out to our community **one by one and where the community reaches back.**

*"Dear **CRPD**, We can't thank you enough for all the helpful services you provide! You keep our town safe even in crazy circumstances! Thank you!"*

Haley B. (11/16/20)

*"I can't [say] enough how nice & friendly my interactions with the office staff and the officers with CRPD has been. I want to give a shout out to **Officer Fuino**. He was very helpful and friendly today when I was needing assistance with what turned out to be a civil matter. It was so nice talking with him and it made me a lot more comfortable. So thank y'all for all you do and thank you to Officer Fuino for his kindness and friendliness today."*

Craig K. (11/12/20)

*"On Friday, November 20 [**Officer Yowell**] pulled me over on Founders Pkwy for lack of brake lights. I wanted to thank you for the stop and alerting me that my vehicle only had the running lights on...I really appreciate your kindness during the stop and ensuring my vehicle was safe. I am so thankful for our*

*men and women that serve and protect us all, especially in these very difficult and trying times...Please stay safe and know you are appreciated! Thank you again for assisting me!"*

Lara B. (11/22/20)

*"I sincerely appreciate the warning [**Officer Stoneking**] provided to me for my taillights and brake lights not working...if you recall my daughter was with me in my old Chevy K20 ranch truck. As we were pulling over I used the opportunity to let her know that the police are good and we need to be polite, courteous, and most of all respectful and obedient to their commands. In addition, I asked her to remove the paperwork from the glove box so it would remove any fear that you might encounter. Then it was make sure our hands can be visible for you to again demonstrate we are here for you and are law abiding citizens. I've constantly reminded all my four children [of] these and other additional steps so everyone involved feels safe and respected. This was a great opportunity for my daughter to see her father also obey what I expect of my children. It was a great learning experience for us. Also, thanks again for your courtesy. I definitely back the Blue. I have several friends in law enforcement and do worry about them. I know you likely don't hear it enough, but THANK YOU for your service. I appreciate that you are making Castle Rock better through your service - for that I'm forever grateful. Have a blessed day and please be safe out there."*

Erik B (11/30/20)

*"My car broke down in the middle of the intersection off of Wilcox exit in Castle Rock. I'd like to extend a heartfelt thank you to **Officer M. Houser**. His duty to the city of Castle Rock and its citizens turned a potentially dangerous situation in which I found myself and resulted in me going home safely to my wife and kids unscathed. Officer Houser's quick thinking and kindness will forever be engraved in my heart. Thank you!"*

Ramon H. (11/18/20)

## CRPD Victims Assistance Unit

Due to Douglas County's move to Level Red on the State's COVID-19 Dial Framework, the victim assistance volunteers will only respond to calls for service via phone until further notice. Creative training techniques such as role playing scenarios and allowing new volunteers to be part of phone calls for service via three-way calling have been adopted to keep newly-learned skills fresh and help prepare them for in-person contacts once the Covid restrictions are lifted. The victims assistance staff, which includes Daylan Wallace and Debbie Lewis, will continue to respond to critical incidents.

## Victims Assistance Volunteer Spotlight

Andie Wommack grew up in Idaho and lived in Washington before moving to Colorado five years ago. She enjoys helping others and being able to make a difference in her community. Earlier this month, the Castle Rock Police Department unrolled a new program, *R-U-OK?*

The goal of this free program is to regularly connect with Castle Rock's most vulnerable populations who are living alone -- senior citizens over the age of 65 and adults with disabilities. Enrollment is now open!

For more information or to register for R-U-OK?, visit [www.crgov.com/RUOK](http://www.crgov.com/RUOK). If you would like to refer someone to this program, email Officer Lane at [alane@crgov.com](mailto:alane@crgov.com).

## Special Operations' Officers receive Town's Applause Award

As schools transitioned to home learning due to Covid in March 2020, Officer Stembel worked with the school district to set up safe/clean areas for students to pick up free school lunches. Stembel and his team members handed out roughly 300 to 500 lunches per day over a five-month period in all sorts of weather conditions ranging from spring snow to hot summer days. This program was met with lots of thanks and gratitude for these officers during such unprecedented difficult times.
