No single or partial exercise by the Lender of any right or remedy shall preclude any other future exercise of that right or remedy or the exercise of any other right or remedy. No waiver or indulgence by the Lender of any default shall be effective unless in writing and signed by the Lender, nor shall a waiver on one occasion be construed as a bar to or waiver of that right on any future occasion. Acceptance of partial or late payments owing on the Note at any time shall not be deemed a waiver of any default. All rights, remedies and security granted to the Lender herein are cumulative and in addition to other rights, remedies or security which may be granted elsewhere or by law. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law. If any provision hereof shall be declared invalid or illegal it shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of the provision or the remaining provisions of this Agreement. This Agreement has been executed in Colorado, and is governed by Colorado law.

If any payment applied by the Lender to the Note is subsequently set aside, recovered, rescinded or otherwise required to be returned or disgorged by the Lender for any reason (pursuant to bankruptcy proceedings, fraudulent conveyance statutes, or otherwise), the Note to

which the payment was applied shall for the purposes of this Agreement be deemed to have continued in existence, notwithstanding the application, and shall be secured by the Pledged Revenues as fully as if the Lender had not received and applied the payment.
