Subject: Castle Rock Public Health Department

I do not believe the town of Castle Rock should expend scarce financial resources on a totally unnecessary public health department.

For the next two years town budget will likely be constrained due the lingering effects of COVID-19 slowdowns.

With the growth of the town, financial resources will be needed for the expanding needs of police, fire and yes, road maintenance. Surely the town council has more urgent matters to pursue than continue to cry over Tri-County Health mandates that have prevented massive spikes and deaths due to COVID.

Please abandon this costly and unnecessary expense.
