Title:	Mt Lion
Description	Mountain Lion Sculpture made from concrete.   I use a mold for the basic shape, then cover it and finish the details.   I have done 1 other one that I put in my yard.
Dimensions	32 x 17 x 24
Sale Price	\$500.00
Is a base included with your sculpture? Yes or no. If yes, what are the dimensions for the sculpture plus the base (width x height x length)?	Yes
What is the weight of the sculpture in pounds?	Yes around 200LB
Medium of piece? Please note, if mixed media, all materials must be able to withstand Colorado outdoor weather conditions.	Solid concrete. If it is not abused it will last for years? Maybe 100 year

Year created?	2020
If this piece is a replica or duplicate, please provide the edition, size, serial number, and other locations where this piece is available. Say N/A if not applicable.	Not sure. I use a mold to start the shape. I have made 1 other one but it's a different color. I put it in my yard.   I have never sold one.   I own the mold and can make more but it is rough out of the mold. I add layers and color to the sculpture.
What equipment and supplies are needed to install this piece? Please include any unusual basing and/or anchoring requirements for this piece.	It has a base. For display, it would look better on a platform getting it off of the ground. Maybe 24 to 36"   It is super heavy. It's difficult but can be moved by 2 strong people.
