AGENDA TOPICS

[PAC 2021-070](#) **Town Hall Plaza Sculpture: Call for Entries Discussion/Direction**

The Commission discussed a call for entries for the Town Hall Plaza Sculpture.

Encore, formerly known as Festival Park Commons, is a project to redevelop three lots Downtown, just south of Town Hall. The project features a seven-story building that will have residential, retail and office space on the west side, adjacent to Wilcox Street and a parking garage on the east side, adjacent to Perry Street. The project is currently under construction.

The project will also include a public plaza just south of Town Hall and an additional plaza space interior to the project along Wilcox Street. To beautify and enhance the plaza area, Confluence Companies has generously offered the Town of Castle Rock \$50,000 to purchase a public art sculpture for installation; the Town and therefore the Public Art Commission will be responsible for its future maintenance.

Themes discussed for the call included honoring Castle Rock's western heritage, paying tribute to veterans or featuring modern/fun art. The intent of the project is to enhance Town Hall and the perceived quality of life as the plaza could eventually play host to small events or rallies. The Commission was in general agreement about selecting a piece with a theme of unification or bringing people together. Members also discussed scale, recommending a larger-sized/vertically-oriented sculpture, and confirmed a stipend would potentially be provided to the artists who were selected to interview as finalists.

Staff was directed to compose a draft call for entries for review at the October meeting.
