NEW LIQUOR LICENSE APPLICATIONS

[LLA 2022-008](#) New Beer & Wine License - Miss M's Tea Parlour 3 LLC dba Dilly Dally DIY Workshop CONTINUED

Lisa Anderson, Town Clerk, noted that the hearing for the new Beer & Wine license for Miss M's Tea Parlour 3, LLC dba Dilly Dally DIY Workshop will be continued to November 9, 2022 at 10:00 am.

[LLA 2022-009](#) Change License Type to Tavern Liquor License - Kambslan, LLC dba The Backyard

Judge Gresh opened the hearing for the Change of License Type for Kambslan, LLC dba The Backyard and noted that no one was present to object to the application and no objections were received. Gresh entered the packet into the record of the hearing.

Judge Gresh swore in Matt Frary, owner, and asked him to explain their request for a change of type of license.

Frary noted that they are trying to revive and keep downtown alive. Their patrons desire to have liquor vs. just beer and wine and they are requesting a Tavern license in order to be more competitive with the new businesses downtown. This will help them grow and serve the community better.

Judge Gresh asked if they will have the same restrictions on servers. Frary noted that they will all receive background checks, and be TIPS certified. They will have a strict training program on proper identification, underage drinking and not overserving patrons.

Judge Gresh reviewed the application, diagram, background checks, company documents, notices, and the petition and found that the applicant is of good moral character, the inhabitants of the neighborhood desire the license be granted, the license meets the reasonable requirements of the neighborhood, all Town and State law requirements have been met, and that based on these findings, he approved the Tavern Liquor license for Kambslan, LLC dba The Backyard.

Anderson stated that all Town departments have signed off that there are no issues locally; and that once the state approves the license it will be issued.
