#### **COUNCIL COMMENTS**

Councilmember Loban thanked everyone for attending the Council meeting and hope everyone voted. Loban extended his support to the Castle View Football team for making it to the finals and encouraged everyone to support them.

Councilmember Bower shared a story about himself and the Police department. There had been some break in's recently in Castle Rock. Bower shared that he began doing yoga in his music store at 5am; and last week the Police came to his door, then another officer showed up responding to a call from a neighbor reporting someone was in the store with a hoodie. Bower was impressed that the community is looking out for each other and thanked the Police department for their response.

Mayor Pro Tem Valentine reminded citizens of Small Business Saturday and the Starlighting event coming up. Rink at the Rock will also be opening in November.

**UNSCHEDULED PUBLIC APPEARANCES**

The following citizens addressed Council:

Larry Willits - Updated Council on what was accomplished with the parking problem by Castle View High School. The signs have been successful. The bike lanes slowed the traffic down as well and is being utilized by students. He thanked Town Council.

Pam Ridler, CEO of the Chamber of Commerce - Saturday November 17 is the Starlighting event and they are excited to bring it to the community. Ridler thanked Council and staff for the beautiful lighting downtown. They will have five entertainment areas, over 87 booth vendors, 12 food trucks throughout the area, buses coming from the Meadows and parking at Douglas County High School and the Fairgrounds. Last year they estimated 23,000-25,000 people downtown. The ceremony starts at 5pm with the fireworks at 5:30pm. The Chamber is working with the DMA to discuss public safety with Police Officers.

Susan Squire, Board member of the Douglas County Community Foundation - Reminded citizens of The Give Where You Live campaign on December 4. Asking for a unified voice from Douglas County municipalities. The role is to champion awareness of the non-profits in our community and protect the assets we already have. Colorado Gives Day donations increased 50% last year. They ask that they put this information on our social media to raise awareness for this campaign. The County will be passing a Resolution and present a Proclamation.

**Presentation: Economic Development Council of Colorado 2018  
EDIE Award - Large Community of the Year, Town of Castle Rock,  
Colorado**

David Corliss, Town Manager, the Mayor and Bill Detweiler, Development Services Director, attended the conference. It speaks a lot to Council's commitment and to the staff.

Frank Gray, CEO of the Economic Development Council thanked Council. The

awards were for best large community of the year which he credits to the Downtown Alliance that was created. They have won awards 4 out of the last 7 years. The other award was the Project of the Year in Economic Development which was for the Collaboration Campus. Town Council supported that project and he thanked Council for their work in supporting economic development. Comcast was another award winner, and they even thanked Castle Rock.

Mayor Green announced that Frank Gray was also awarded the Economic Development Achievement award.

**Update: 2018 Third Quarter Financial Review, Period Ending September 30, 2018**

David Corliss, Town Manager, gave an overview presentation of the financial structure. We estimate revenue will be 4% over budget and sales tax 4.5% over 2017. Development continues to be strong and over 1,000 residential permits have been issued this year. Expenditures Town-wide are 30% lower, some due to timing of capital projects. General Fund expenditures are about 8% under budget with some due to temporary salary savings. Focus is on long-term water, transportation, public safety, parks and recreation.

**Update: Non-residential Smartscape Pilot Results**

Mark Marlowe, Director of Castle Rock Water, updated Council on the results of the non-residential Smartscape Pilot that had a budget of \$100,000. They did three projects and 30,000 square feet of material. Sapphire Pointe, Castlewood Ranch and Woodlands. In 2019 they will increase the minimum square footage for larger projects and update the reimbursement from 2008. Councilmember Loban commented that it reduces the Tier 2 and 3 water usage.

## **TOWN ATTORNEY'S REPORT**

[DIR 2018-045](#)

**Discussion/Direction: Zoning Enhancement Area**

Bob Slentz, Town Attorney, gave a follow-up to a conversation about the interchange planning. This is an introduction of the idea and is a work in progress. They are seeking for Council to determine if they want to have further analysis. This is to improve the zoning and a mutual recommitment with the Town and the developers. Criteria is for Planned Developments PUDs only, plans approved prior to 1993, with no residential or commercial permits issued, and encompasses 50 acres or more. The Memmen infill is east of downtown. It is zoned for 1,000 units. The other two that meet that qualification are Westfield and Dawson Ridge. There has been no activity since they were annexed in 1984. The last time the PD was reviewed by the Planning Commission or Town Council was over 30 years

ago when the population was about 6,000. Demand for water estimates exceed what is available. They were annexed and zoned in 1984 and there have been many changes to the water dedication policy development.

Councilmember Loban and Councilmember Bower feel it is a good start and not having enough water is a big problem.

Councilmember Teal referenced the Zoning Enhancement Ordinance purpose to allow and encourage a new zoning plan to be submitted and asked what the threshold is between old zoning that would be acceptable. Slentz stated a more realistic cap on the amount of development. Teal wants to ensure we aren't sending the wrong signals to Westfield. Slentz stated both parties are at risk with the current development agreements.

Councilmember Ford is not comfortable with a suspension agreement. Slentz stated that it is the consensus of the Coalition to facilitate beginning discussions. Slentz asked authorization to continue to work on this to develop and present it to the Coalition. Councilmember Bower is in support of working further on this. Councilmembers Loban and Ford are not comfortable with a 2 year moratorium but support continuing discussions.

Councilmember Teal asked about the study for available water resources to be completed in 90 days. Teal would like it to be presented to the Coalition first and then bring back to Council.

**Teal moved, seconded by Loban, to direct staff to take this to the Coalition and get landowner and stakeholder comments. The motion passed by the following vote:**

**Yes:** 6 - Loban, Green, Bower, Valentine, Teal, Ford

**Not Present:** 1 - Townsend

## **ACCEPTANCE OF AGENDA**

**Moved by Teal, seconded by Loban, to Accept the Agenda as presented. The motion passed by the following vote:**

**Yes:** 6 - Loban, Green, Bower, Valentine, Teal, Ford

**Not Present:** 1 - Townsend
