AGENDA ITEMS

[PAC 2021-001](#)

Downtown Art Project and Painting Positivity

The subgroups continued planning discussions for the Painting Positivity Campaign, focusing on phase one, which will be the commissioning and production of one to two murals in Downtown Castle Rock.

Since both groups were in agreement on launching the project with a mural, it was determined that the subcommittee would begin collaboration on a call for entries. Meeting attendees discussed potential locations and determined to solidify the Fort CPA Group's wall at 407 Wilcox Street, as well as the stairway along Sellars Gulch Trail near Festival Park as finalists. The subcommittee planned to present a draft of the call for entries to the Public Art Commission for review and approval in January.

To plan for future meetings and phases and better distribute priorities, the subgroups also delegated responsibilities to individuals and small groups. Responsibilities include: project management, securing partners, communicating with site owners, coordinating installation logistics, creating an art jurying process, government liaison, communicating with artist, tracking the project budget, directing communication and outreach efforts, creating

maintenance standards for murals, grant reporting and school outreach.

The subgroups also agreed to host regular meetings the last Wednesday of each month at 4:30 p.m.

ADJOURN
