## AGENDA TOPICS

### [PAC 2021-019](#) Painting Positivity

The subgroups continued planning discussions for the Painting Positivity Campaign, focusing specifically on the jurying process for the mural installation at 407 Wilcox Street. A total of 66 submissions were received to the call. The subgroups reviewed an online jurying form and determined that everyone would rank qualified submissions by Monday, March 1. Jen Perry would then compile the juried results to create a top ten ranking for the Wednesday, March 3 selection meeting. Nick Lucey and Colin Shreffler also provided the update that they had started to build an online form, which would be utilized to collect photographs for the phase two call for entries for street art activation. The form would also live on a new website - [paintingpositivity.org](http://paintingpositivity.org). Maia Aman noted that she would send Colin a waiver, which was being drafted by the Town's Legal Department, for inclusion in the form.
