After reviewing the jurying criteria and ranked completed submissions, the subcommittee determined to select Mary William's submission featuring five Castle Rock artists. Assistant Town Manager Kristin Read indicated that the Town Manager's office could fund two awards to help save time on future calls. The subcommittee then also selected Talia Johnson's submission called Hummingbirds. The subcommittee plans to seek a general consensus of approval from the Commission at-large in October. Staff will then work with the artists to finalize the submissions for production and provide the awards.
