PUBLIC COMMENT

Caryn Johnson, representing the Castle Rock Historical Society and Museum, addressed the commission regarding a previously submitted Art and Culture Grant application that was not awarded due to the program prioritizing shovel-ready projects. She noted that her board requested she attend a commission meeting to better understand and confirm the grant review process and to assess readiness for future applications. Caryn expressed interest in potential partnerships, including use of the CAFÉ platform. Staff shared the upcoming grant timeline and clarification was provided regarding a possible partnership with PAC, including use of CAFÉ to post the call, involvement of a subcommittee for drafting the call, reviewing submissions, jurying artwork, and addressing long-term art maintenance related to a sculpture project. Caryn noted the Historical Society meets on the first Friday of each month and that February's meeting would focus on this discussion.
